SUBJECTS

Administration/Management
Establishing a student health all-appointment system: Making the transition from a walk-in approach. Kiselica D, Lutz NC. March:223–225.

Alcohol Education
Alcohol education and treatment: On the use of leverage in the college setting. Meilman PW. Sept:79–81.
Assessing alcohol problems in college students. Hurlbut SC, Sher KJ. Sept:49–58.
A student competition to develop an innovative alcohol education strategy. Morritz T, Seehafer RW, Maatz-Majectic E. May:283–286.
Using focus group interviews to identify salient issues concerning college students' alcohol abuse. Emery EM, Ritter-Randolph GP, Strozier AL, McDermott RJ. March:195–198.

American College Health Association
College health must advocate high quality care for students. Kraft DP. July:35–36.
The history of sections in the American College Health Association. Christmas WA. Nov:121–125.
The status of nutrition education in ACH college and university health centers. Kessler L, Jonas JR, Gilham MB. July:31–34.

Asian-American students
HIV prevention among Asian-American college students: Does the Health Belief Model work? Yep GA. March:199–205.

Athletes
Athletes as rape-awareness educators: Athletes for sexual responsibility. Caron SL. May:275–276.

Chlamydia Trachomatis
Comparison of the cytology brush with the Dacron swab for detecting *Chlamydia Trachomatis* by enzyme immunoassay in female university students. Herold AH, Young DL, Wightman JK, Anderson MJ, Roetzheim RG, Blair RC. March:213–216.
Noninvasive detection of *Chlamydia Trachomatis* in men: A comparison of two immunoassay tests. Ferris DG, Martin WH, Litaker M. March:217–220.
Screening for *Chlamydia Trachomatis* in college women on routine gynecological exams. Keim J, Woodard P, Anderson MK. July:17–23.
Students and other patients (editorial). Dorman JM. March:221.

Cholesterol
The effect of cholesterol screening on college students. Scheer JK, Loper D, Wagner L, Wise S. Nov:106–110.

Contraception
Connotative meanings associated to contraceptive options. Sarvela PD, Huetteman JKD, McDermott RJ, Holcomb DR, Odulana JA. Jan:91–97.

Date Rape
An evaluation of a mixed-gender date rape workshop. Holcomb DR, Sarvela PD, Sondag KA, Holcomb LCH. Jan:159–164.
Healthy dating: A mixed-gender date rape workshop. Holcomb DR, Sondag KA, Holcomb LCH. Jan:155–157.
Sexual coercion experiences and help-seeking behavior of college women. Ogletree RJ. Jan:149–153.

Deaf Students
Peer education and the deaf community. Joseph JM. May:264–266.

Dentistry
A dietary procedure for preventing dental caries in young adults. Mäkinen KK. Jan:172–180.

Disruptive Students
Responding to student disruptions: Incorporating supported education. Parten D. March:227–229.

Fitness
Fitness profiles and activity patterns of entering college students. Pierce EF, Butterworth SW, Lynn TD, O'Shea J, Hammer WG. Sept:59–62.

Gender Roles
Gender role strains: One man's awakening. Malesky D, Fennell R. Sept:83–84.

Health Claims
Effectiveness of a college course focused on evaluation of health claims. McArthur LH, Chamberlain VM. March:207–212.

Health Promotion
A liberal arts health promotion course. McClary C, Pyeritz E, Bruce W, Henshaw E. Sept:71–72.

Health Surveys
Surveying University of Arizona students'

health. Smiley K, Johannessen K, Marsh K, Collins C. Sept:75–77.

Homosexuality
Sexual behavior patterns of gay university men: Implications for preventing HIV infection. D'Augelli AR. July:25–29.

Housing
Living arrangements, knowledge of health risks, and stress as determinants of health-risk behavior among college students. Jones DH, Harel Y, Levinson RM. Sept:43–48.

Human Immunodeficiency Virus (HIV)
HIV prevention among Asian-American college students: Does the Health Belief Model work? Yep GA. March:199–205.
Peer-based HIV risk assessment: A step-by-step guide through the teachable moment. Fabiano P. May:297–299.
Sexual behavior patterns of gay university men: Implications for preventing HIV infection. D'Augelli AR. July:25–29.

Medical Students
Medical students' exposure to formaldehyde in a gross anatomy dissection laboratory. Chia SE, Ong CN, Foo SC, Lee HP. Nov:115–119.

Mental Health
Psychiatrically hospitalized college students: A pilot study. Rosecan AS, Goldberg RL, Wise TN. July:11–15.
Responding to student disruptions: Incorporating supported education. Parten D. March:227–229.
Student mental health needs: Survey results and implications for service. Bertocci D, Hirsch E, Sommer W, Williams A. July:3–10.

Nutrition
Effectiveness of a college course focused on evaluation of health claims. McArthur LH, Chamberlain VM. March:207–212.
The status of nutrition education in ACHA college and university health centers. Kessler L, Jonas JR, Gilham MB. July: 31–34.

Pain
Recurrent pain in college students. Brewer BW, Karoly P. Sept:67–69.

Peer Education
Athletes as rape-awareness educators: Athletes for sexual responsibility. Caron SL. May:275–276.
A case study of a successful health advocacy program. Allen NJ. May:293–295.
Complex issues for sexual assault peer education programs. Simon T. May:289–291.
The evolution of peer education: Where do we go from here? Gould JM, Lomax AR. May:235–240.
Experiences of a former peer educator. Israel T. May:272.
Generating enthusiasm among peer educators. Goodhart F. May:295.
My life as a peer educator. Saul J. May: 295.
Peer-based HIV risk assessment: A step-by-step guide through the teachable moment. Fabiano P. May:297–299.
Peer education and the deaf community. Joseph JM. May:264–266.
Peer education in the residential context. Bauman DW III. May:271–272.
Planning for the future of peer education. Edelstein ME, Gonyer P. May:255–257.
The power of peer education. Conant Sloane B, Zimmer CG. May:241–245.
Professionals' experiences of peer education: Four experts speak. Gould JM, Lomax AR. May:300–301.
Refining your peer education program. Keeling R, Engstrom EL. May:259–263.
A review of evaluations of peer education programs. Fennell R. May:251–253.
Selecting peer educators. Gordon KA. May:272.
Sex, truth, and womantalk: What your mother never taught you. Getty A, Bannan HM. May:279–280.
A student competition to develop an innovative alcohol education strategy. Moritz T, Seehafer RW, Maatz-Majestic E. May:283–286.
Supervising peer educators. Bell SR. May: 277.
Total quality assurance and peer education. Croll N, Jurs E, Kennedy S. May: 247–249.
Training opinion leaders to promote safer sex. Grossberg PM, Tillotson TS, Roberts CM, Roach KJ, Brault BA. May: 273–274.

Quality Assurance
Total quality assurance and peer education. Croll N, Jurs E, Kennedy S. May: 247–249.

Quality Care
College health must advocate high quality care for students. Kraft DP. July:35–36.

Risk Behavior
Adolescent risk behaviors and the potential for violence: A look at what's coming to campus. Valois RF, Murray LV, McKeown RE, Garrison CZ, Kirby SD. Jan:141–147.
Living arrangements, knowledge of health risks, and stress as determinants of health-risk behavior among college students. Jones DH, Harel Y, Levinson RM. Sept:43–48.
Reduction in sexual risk behaviors among college students following a comprehensive health intervention. Turner JC, Korpita E, Mohn LA, Hill WB. March:187–193.

Safety
Medical students' exposure to formaldehyde in a gross anatomy dissection laboratory. Chia SE, Ong CN, Foo SC, Lee HP. Nov:115–119.
Safety belt use on a university campus. Clark MJ. Jan:169–171.

Sexual Behavior
Gender-specific changes in students' sexual behavior and attitudes at a southeastern university between 1973 and 1988. Dunn PC, Knight SM, Glascoff MA. Jan:99–104.
Reduction in sexual risk behaviors among college students following a comprehensive health education intervention. Turner JC, Korpita E, Mohn LA, Hill WB. March:187–193.
Sexual behavior patterns of gay university men: Implications for preventing HIV infection. D'Augelli AR. July:25–29.
Sexual coercion experiences and help-seeking behavior of college women. Ogletree RJ. Jan:149–153.

Sexually Transmitted Diseases
Comparison of the cytology brush with the Dacron swab for detecting *Chlamydia Trachomatis* by enzyme immunoassay in female university students. Herold AH, Young DL, Wightman JK, Anderson MJ, Roetzheim RG, Blair RC. March: 213–216.
HIV prevention among Asian-American students: Does the Health Belief Model work? Yep GA. March:199–205.
Noninvasive detection of *Chlamydia Trachomatis* in men: A comparison of two immunoassay tests. Ferris DG, Martin WH, Litaker M. March:217–220.
Peer-based HIV risk assessment: A step-by-step guide through the teachable moment. Fabiano P. May:297–299.
Reduction in sexual risk behaviors among college students following a comprehensive health education intervention. Turner JC, Korpita E, Mohn LA, Hill WB. March:187–193.
Screening for *Chlamydia Trachomatis* in college women on routine gynecological exams. Keim J, Woodard P, Anderson MK. July:17–23.
Sexual behaviors of gay university men: Implications for preventing HIV infection. D'Augelli AR. July:25–29.
Students and other patients (editorial). Dorman JM. March:221.

Surveys
Surveying University of Arizona students' health. Smiley K, Johannessen K, Marsh K, Collins C. Sept:75–77.

Vaccine-Preventable Diseases
The impact of influenza vaccination on respiratory illness at a boarding school. Farley TA, St Germain JM, Chamberlain LA, Krassner L. Nov: 127–131.
Who should get influenza vaccine? (editorial). Dorman JM, Schwartz AJ. Nov:133.
Who should get influenza vaccine? (letter to the editor). Conway M, Wallace ARG. Jan:181.

Violence on Campus
Adolescent risk behaviors and the potential for violence: A look at what's coming to campus. Valois RF, Murray LV, McKeown RE, Garrison CZ, Kirby SD. Jan:141–147.
Book review: *Dating Violence: Young Women in Danger.* Barrie Levy. Cummings N, reviewer. Jan:167.
An evaluation of a mixed-gender date rape prevention workshop. Holcomb DR, Sarvela PD, Sondag KA, Holcomb LCH. Jan:159–164.
The experience of violence: A student viewpoint. Chimene J. Jan:165–166.
Healthy dating: A mixed-gender date rape workshop. Holcomb DR, Sondag KA, Holcomb LCH. Jan:155–157.
On the integration of science and practice in college health (editorial). Steenbarger BN, Zimmer CG. Jan:139–140.
Sexual coercion experience and help-seeking behavior of college women. Ogletree RJ. Jan:149–153.
